ST. MARYS, OHIO

WITH PRIDE AND FEARFUL ANTICIPATION WE PRESENT TO YOU

The MIRROR of 1941

BECAUSE OF THE ABLE GUIDANCE OF MR. KOENIG AND OTHER FACULTY MEMBERS, WE FEEL OUR BOOK IS UNQUESTIONABLY A SUCCESS.

WE HOPE THE FOLLOWING PAGES WILL SHOW YOU SOMETHING OF OUR SCHOOL LIFE AND SCHOOL CHARACTERS.

THIS YEAR'S BOOK IS DEVOTED TO THE RELATIONSHIP BETWEEN ST. MARYS SCHOOLS AND THE SURROUNDING RURAL DISTRICTS. WE LOOK WITH EXPECTATION TOWARD THE FURTHERING OF THE INTERESTS OF THESE TWO. IT IS A WELL-KNOWN FACT THAT AGRICULTURAL INTERESTS ARE AS MUCH A PART OF OUR COMMUNITY AS THOSE OF THE MERCHANTS. DURING THE PAST FEW YEARS MANY RURAL IMPROVEMENTS HAVE BEEN MADE.

WE WISH TO EXPRESS OUR SINCERE THANKS TO THOSE WHO HAVE HELPED IN ANY WAY TO FURTHER PLEASANT RELATIONS AMONG SCHOOLS, MERCHANTS, AND FARMERS.

Top Row—Isn't one enough. Goodbye, Coach. The first snow. Must be interesting. National Defense.

Second Row—The soldiers: Bob Henne, Lieut. Reed, Paul Pfenning and Bill Pifer. Bud and Gloria. "Ginny." Let's dance.

Third Row—Back to school. Peg and Treola. Mr. Bubp at work. Home, James. These four.

Fourth Row—On guard. Fight. The Love Birds. Lucille, Joan and Dorothy.

Dedication

"Life is ever Lord of Death
And Love can never lose its own."
—Whittier

One is not gone who is held in the mind of a single living person. Many fine young men and women cherish the memory of a former teacher. With genuine appreciation a legion of students and friends see in retrospect her unselfish contributions of knowledge, guidance, and inspiration. A vast fund of spiritual gratitude stands today as a warm, living memorial to a life of devoted service. Love has not lost its own.

With these majestic words of Whittier moderating our poignant sense of loss, we solemnly dedicate this book to the memory of a loved and respected teacher, Miss Hazel Bay.

This group of business men has capably carried out its duties of financing our education. They all have worked earnestly for the progress of the school. The senior class of 1941 appreciates their efforts and offers its sincere thanks.

Superintendent

Mr. McBroom is a very capable executive, fully qualified to head our schools. He has always been as congenial and helpful as he has been efficient. Because as superintendent he has helped many students by his wise counsel he has gained the confidence and admiration of all students and faculty members.

May this noble-minded man stay with Memorial for years to come.

Principal

Memorial's student advisor is Mr. Koenig, our principal. He is very sympathetic and is respected both as a teacher and a friend. He is always on the lookout for methods of improving our school and does his work from day to day without a frown. May his cheery smile and beaming face be with Memorial for many years.

Senior Class History

For the fourth and last time the history of that group of students who are now seniors appears before you in this annual.

As a review of the first three years of our high school education let it suffice to say that we entered Memorial in the fall of 1937 and supplemented the study of the succeeding years with the activities which absorb the attention of every high school class, such as sports and class functions. Our last official act as Juniors was to elect the Mirror Staff, which is listed elsewhere in this book, and the Senior class officers. We chose Richard Bushong, president; Rex Montague, vice president; Emma Jane Moehring, secretary, and Albert Widner, treasurer.

This brief recital brings us to the all-important senior year.

At our first class assembly we made arrangements to take care of the ever-present governmental problems.

With such details taken care of we devoted ourselves to the business of establishing firmly our unquestionable superiority over the other classes. This was not the simple procedure which we, in our ignorance, had formerly thought it to be. Throughout the year it was necessary for us to be on the alert lest some under-classman—who didn't know it just wasn't the proper thing to do—forge way ahead of us in school activities. However we managed to keep our heads above water and even presented a play which equalled the Junior's production.

The year ended with graduation activities, and so ends this chronicle of the senior class of 1941.

MR. WOOLOVER

The death of Mr. Woolover came as a shock to our Mirror Staff, and it is deeply regretted by all. Mr. Woolover was a representative of the Fort Wayne Engraving Company, and he has helped the Mirror Staffs of Memorial for fifteen years. His pleasant personality and intelligence will be hard to replace.

Last Will and Testament

We the Senior Class of "'41" having sound mind and body do hereby bequeath the following characteristics to persons stated:

Forest Jacobs' diligence to Tom Miller.
Lynn Fisher's size to Gerry Bubp.
Hawkey-Widner romance to Jean Ferris and Bill Klosterman.
Bill Case's shyness to either Vanderhorst boy.
Gail's ability as a coquette to Norma Howard.
Betty Place's dressing ability to Marjorie Miller.
Earl Althoff's egotism to Conley Saylor.
Mirror Staff's ability to get in trouble to nobody in particular.
Maurice Hinkle's Chevy Coupe to "Phedo" Herzing.

Gretta Koons' ability to get along with Prof. Kohler to any unlucky Junior.

Dave Smith's efficiency (?) to next year's Business Manager.

Don Willoughby's voice to Gloria Fritz.

This year's cheerleaders' enthusiasm and loyalty to next year's cheerleaders.

Lois Ann Quellhorst's typing to Jean Valentine.

This year's Senior autobiographies to Pepys, Cellini, Rousseau and Johnson.

Witnesses:

2:10 train.
One of the Mirror Staff's rubber checks.
23 typewriters and a metronome.

JUNIOR

We, the Junior Class of Memorial High School, began our school year of 1940-41 on September 3, 1940.

We elected our class officers the last of September. Those elected were:

President—Jack Martin
Vice President—Tom Fisher
Secretary—Ned Johns
Treasurer—Tom Wieser

In November a committee appointed by President Jack Martin selected our class rings.

We all deeply regret the loss of Miss Bay, our class adviser, who died during the Christmas vacation. The vacancy left by her has been well filled by Mr. Scott.

Top Row—Joe Lynch, Jack Martin, Joe Martin, Ruth McDermitt, Eva McDermitt, Maxine McDonald, Marjorie Miller.

Class History

Following our mid-year examinations, our very successful play, "Girl Shy," was given.

We held a very successful and entertaining Junior-Senior reception on April 25, 1941.

We were well represented in athletics, in the band, on the Live Wire and in the scholarship team.

In May our regular yearly examinations were held with most of us passing on to our senior year. We all leave school, glad that we have completed another year, but sad that such an enjoyable year has ended, and we look forward to our senior year to be even fuller, more enjoyable, and more educational.

SOPHOMORE

We, the Sophomore class, came back to school full of vim and vigor ready to renew our fight to be someone, someone really noticeable in this large and great world of ours of which we are a part.

We started to fight looking toward what we thought was a bright school year. We elected class leaders who we thought would help us to complete our school year successfully.

The Sophomore class has overcome and defeated the many obstacles that have lain in its path. The class has been very active in having concessions at basket ball games, and has received much cooperation from its members in its many attempts toward a certain goal.

The members of the class have taken an active part in the activities of our school, such as the band, football teams, glee clubs, basketball teams, and the many other extra-curricular activities which are within their grasp.

The class advisors have helped and led us with their knowledge and experience in the many things that are new to us and in which we are inexperienced.

Class History

We have strived to uphold the reputation and high rating of our school by cooperating with our teachers and leaders. Those who studied and worked became members of the scholarship team of which it is an honor to be a member, an honor of being a representative of your school in competitive examinations.

We have completed our second year in high school, a school of which we are very proud to be students and in which we look forward to face the fight, our fight. We leave the school thinking of the experiences that we shall have in our vacation period, but we cannot help wondering what the next school year holds for us. We hope that it will be full of as many experiences and opportunities as the year we have just finished.

Freshman Class History

We entered the Freshman class, as the usual saying goes, as green as could be. We wandered around with our senses reeling, but with the help of our class advisors, Miss Dunan and Miss Slabaugh, we soon learned the correct ways and rules of the school.

Top Row—Carol Ireton, Harry Joyce, Ralph Kruse, Frances Kelly, Richard Kelly, Luetta Kuhns, Norman Kruse, John Kinkley, Jack Kishler, Don Lynch, James Limbacher.

In Memoriam

BARBARA WHITE

As a tribute to one whom we shall always miss, we would like to quote the last stanza of Byron's "She Walks in Beauty."

And on that cheek, and o'er that brow,
So soft, so calm, yet eloquent,
The smiles that win, the tints that glow,
But tell of days in goodness spent,
A mind at peace with all below,
A heart whose love is innocent!

Organizations

Memorial High School is proud of its organizations. We feel that these groups offer a definite service to our students in the encouragement of cooperation, sacrifice, and the appreciation of the ideals of these associations.

Our extracurricular activities this year have created in us that quality of cooperation. The lack of this cooperative nature can be the difference between success and failure in many undertakings. Also our friendships and acquaintances have been broadened.

In the crisis that the civilized world is undergoing now, these traits of cooperation, sacrifice, and appreciation are most essential. Indeed we should be thankful that these groups are allowed to continue their helpful work of character building in our school.

The Mirror Staff

The staff this year has done its best to put forth a book that will take its place among the best ever published.

We lost our Editor-in-Chief, Evelyn Henne, when she had to leave for Mississippi. Charles Bernard then took her place. We were sorry to lose Evelyn, but Charlie has more than shown his competence.

The whole Mirror Staff worked together for their book, and all are to be complimented on their splendid results.

Financial Report of 1941 Mirror Staff

Never before in the history of our school has our Mirror Staff been in a better financial condition at this time of the year.

The paying of all bills before the dismissal of school was started as a precedent back in 1936 when Editor Horch and Business Manager William Dine were in the saddle. Since that time it seems to have become a tradition to pay all Mirror bills promptly. Now we feel it our duty to pay up all bills promptly and very early in the school year to make provisions for the raising of extra money, since the Mirror has always sold for less than it cost.

Below is a summary of some of the financial undertakings of the staff of 1940-1041.

ART CLASS PAINTS MURAL DEPICTING THE CONSTITUENTS OF OUR DEMOCRACY

INCLUDES THE ADVANTAGES AND OPPORTUNITIES WHICH IT OFFERS SUCH AS RELIGION, ART, SCIENCE, MUSIC, LAW, FREEDOM OF THE PRESS AND FREEDOM OF SPEECH.

The art department taught by Mr. Dennison, has since the beginning of the year, created several murals which are painted on heavy paper and hung in the lower study hall. The murals ranged from scenes pertainted to the season, such as Christmas scenes and activity scenes in the spring, to other general subjects. The one which is posted there now is one of the best which they have made so far.

The theme of it is Democracy and it portrays the many different factors that go to make up democracy. The class has decided among the things which they consider necessary to a democracy a picture of a school to depict education, a church to represent religion, a concert to represent music, books to represent higher knowledge, a picture of a handshaking designating goodwill and friendship, a liberty bell to represent our rights, a public speaker which stands for the right of free speech, a newspaper to represent the freedom of the press, a prisoner before the bar to stand for justice a rack of test tubes which denotes to mind research, an

When thinking of our flag, there

Francis Scott Key, seeing his own flag still waving that fatal night, was so inspired that he wrote a song, a song which is now our national anthem. From this one illustration, it can be seen what this symbol of unity, purity, bloodshed, and loyalty could and should mean to each and every one of us.

As the days pass by, our country becomes more and more involved in national and world-wide problems. However, no matter what happens as a result of these difficulties, we all hope that our flag can still stand for everything that is good and true.

The Girl Reserves can look back upon this year and compliment themselves on the fine progress and achievements which are manifest in their activity during this term.

With Miss Constant as their very able adviser, the members took an unusual interest in the organization and broke the past record for accomplishments.

Let us hope that next year's Girl Reserves uphold the standard of perfection that this year's organization has established.

Science Club

A new club was formed in the high school this year which took the place of the recent Hi-Y. This was dropped for lack of cooperation.

The Science Club drew up its constitution, selected its members, and carried on very interesting meetings. The members were selected from the Junior and Senior classes. Any boy with three years of science and a "C" average or two years of science and a "B" average was eligible.

May this club prosper and become a definite part of the high school's extra-curricular activities.

Memorial's Orators

St. Marys can well be proud of her future orators. They provided speakers in behalf of the Red Cross Roll Call at meetings held in New Bremen, Neptune and St. Marys and also for the Christmas Seals Campaign.

This year, for the first time, each speaker made a personal record of his voice. The class is proud of this, and well they might be, for it is a new and outstanding accomplishment.

Disciples of Michelangelo

The Art Class was a big help around the school this year. They made posters for the basketball and football games and the dances. The background for the high school band concert was designed by Mr. Deniston and built by his class. The students were taught to work with paper mache, stencils, and in making of costume jewelry. The Christmas decoration on the high school building was built and put up by the art class.

Thirty Hours of Red Cross Work

This course taught by Mrs. Shuffelton was very interesting. There were two classes, one taught each semester.

The girls were taught to make beds, pour medicine, administer first aid, the arranging of articles in medicine cabinets, bathing and care of a baby, bathing and care of a patient in bed, cures for common ailments and other very useful subjects.

During one of our classes, we were visited by workers of the local Red Cross Chapter.

At the end of the school year, the class joined the girls of the New Bremen class on a trip to the State Hospital for the Criminal Insane in Lima, Ohio. It was a very interesting and enjoyable trip and appreciated by all.

The St. Marys Chapter of the Future Farmers of America have worked hard to further the aims of their organization this year. They carried on regular business meetings under the following officers:

Don Sudman—President
Freeman Whetstone—Vice President
Edward Quellhorst—Secretary
Melvin Nuss—Treasurer
Eugene Vogel—Reporter

This year some of their activities have included a pest hunt, in which they have won two cups, a Father and Son Banquet, participation in F. F. A. Public Speaking and Parliamentary Procedure Contest, and State Judging Contests. Also they have been doing some farming this year, such as raising corn, soybeans and wheat.

Manual Arts

This year the enrollment of the Manual Arts Department was the largest it has ever been. The boys have been putting the tools to a new use. The electric arc welder has been used to repair broken metal parts around the school.

The fact that these boys have been doing good work was proved by the excellent quality of the projects they exhibited at the Community Institute.

The school board purchased a very fine motion picture projector which was used to give the boys some visual education in subjects related to their shop work. All in all the boys should be congratulated on their achievements.

Memorial High School Band

Under the supervision of our new director, Mr. Hopkins, the band has improved considerably. During the year he has worked with the Memorial band, he has made improvements in their methods of playing and marching that has made the band one of which the school and community can well be proud.

The progress and capability of the band was shown at the band concert given at the St. Marys Theatre.

The band gave its best at every game, even after our discouraging defeats. The new drum beat, and marching formations can be looked upon with pride by everyone.

Keep up the good work, band, we are proud of you.

Pat Holtzhauer Margaret Fox Marjorie Miller
Jean Donovan Emily Howell

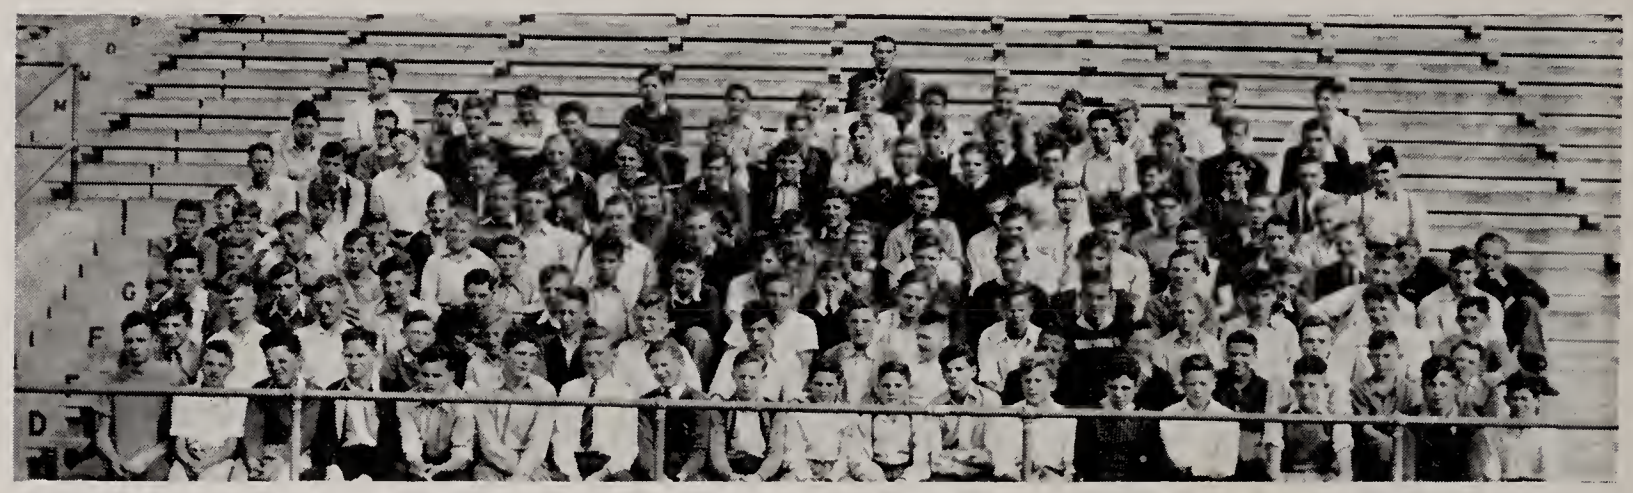
Drum Majorettes

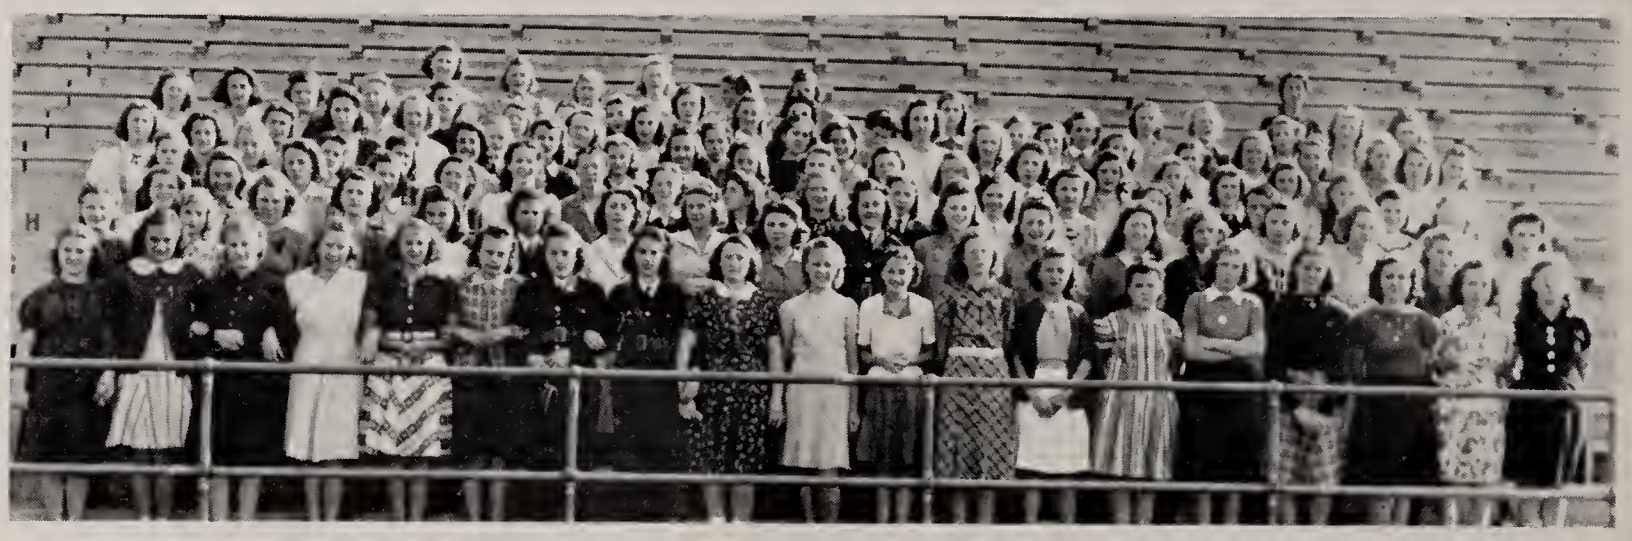
We are certain that every one will agree with us when we say that Margaret Fox is one of the best drum majors Memorial has ever seen. Her strutting made everyone sit up and take notice.

The drum majorettes are to be complimented on their splendid work. All spent much time trying to improve their baton whirling and marching. Emily Howell will graduate, but the others will certainly keep up the fine work.

Tumbling Team

Five years ago Miss Steinebrey organized the first girls' tumbling team with 14 members. Since that time the girls' have presented several exhibitions of their ability. The demonstration consisted of forward and backward rolls, diving, pyramids and individual stunts. Many of the girls have received letters. Left to right: Betty Berwick, Ruth Ann Hudson, Florence Ann Uetrecht, Nancy Bosley, Margaret Fox, Mary Jo Kishler, Kathryn Ann Blair, Julia Swysgood, Mary Ann Doute, Gail Roebuck, Gloria Fritz, Margaret Blakely, Gloria Howell, Ruth Thwaits.





Physical Education

The girls classes this year started with small games and worked their way up to large ones such as basket ball and volley ball.

The boys classes played basketball and volley ball most of the year. They also organized a tumbling team.

Both classes united to sponsor a dance at the end of the year in place of the usual Phys. Ed. Carnival.

Gretta Koons - Tom Fisher - Gail Roebuck

Cheer Leaders

The cheerleaders this year must certainly be congratulated on their overwhelming enthusiasm and loyalty. Throughout the streak of bad luck that seemed predominant this year in our athletics, they were never once caught shirking.

Their cheers and vitality did a lot to brighten up the game and cheer their team and spectators.

Jim Gibson, Tom Miller, Charles Spaulding, Carol Ireton, Dale Craft, Johnny Widner, Frederick Noble, Dave Smith, Lowell Hackler, Ab Widner, Bill Ashbaugh, George Losher, Ferd Helmstetter, Willard Duncan, Charles Botkin, LeRoy Nagel, Jack Martin, Vernon Schnarre, Robert Maze, Virgil Wierwille, Bud Youngs, Bob Steinecker, Donald Miller, Bill Dieringer, Clem Brodbeck, Dick Crouse, Doyt Thomas, Therman Chiles.

Managers: Floyd Chiles, Robert Kohler, Clarence Kohler, Merril Chiles.

Football

The St. Marys Rough Riders fell short of expectations this year by winning only one out of nine games.

This year's team was slowed up by many accidents and worst of all by Mr. Reed's leaving for Camp Shelby at about the half-way mark. The coaching was taken up by Mr. Bower and was very ably done.

Although these accidents may have had some bearing on the showing of the team, the main fault lay in the lack of the ability to play football. Still the boys showed great sportsmanship in all their games.

Games

LIMA SOUTH—Who doesn't believe in superstitions? It was Friday, the thirteenth, and we were the unlucky ones. Of course, this won't happen all the time, for we know the Rough Riders will put all they have in every game. Lima South was just a little tough for us. Score: Lima South, 13; Memorial, 0.

WAPAKONETA—Back with our old rivals again. The Rough Riders tried to buck their way down the field, but the Indians had a way of stopping them. We didn't take their feathers, but they took our scalps. We lost by a score of 6-0.

COLDWATER—The Rough Riders traveled to Coldwater to give their boys a good work-out. It seems that both teams got a work-out, and Coldwater beat us. Score: 12-0.

CELINA—Oh! What a game! We scored for the first time this year. However, the Celina Bulldogs got a bulldog hold on us and beat us by a score of 19-6. Oh, Me!

BLUFFTON—The Bluffton Pirates sailed into Memorial High Field with black flags waving and armed to the teeth. Memorial tried to save itself, but was finally captured. Final Score: Bluffton, 32; St. Marys, 7.

BELLEFONTAINE—St. Marys traveled to Bellefontaine to invade the Chieftain's ground, but they found to their sorrow a wet and muddy field. The Rough Riders don't care for mud at all, so the Chieftains took us by a score of 32-0.

VAN WERT—Our boys went to Van Wert to be beaten by a score of 49 to 13. No one seems to know just how it happened, but the Cougars sprang upon the Rough Riders, much like the animal for which the Cougars were named.

WAPAKONETA—Gee, the Red Skins really scalped the Rough Riders this time. If the Rough Riders would only be a little rougher we might win a game some time. Wapakoneta beat us by a score of 13-0.

LIMA SHAWNEE—At last the Rough Riders really got rough. St. Marys fans witnessed game after game of disappointments, but at last they saw a very exciting game. For the first time this year our team worked as a team. The linesmen did a splendid piece of blocking. Shawnees' team was thrown for several losses. Our back field was exceptionally good. All in all, the Rough Riders wiped out the Shawnee eleven by a score of 13-0 in our favor.

Lettermen

HELMSTETTER—Ferd was rather light for the center of the line, but he held his position down as well as any one on the team. Ferd is a senior this year.

DUNCAN—A fast, hard charging guard who was never seen without a bloody nose. This was Dunc's second year on the varsity.

LOSHER—George was the lightest man on the line and probably the fastest. This was George's first year on the varsity. He played guard.

WIERWILLE—Virge played tackle. He was one of the largest men on the team, still his size was not used to its greatest advantage. Nevertheless Virge played as well as anybody else on the team. He is a senior.

BOTKIN—One of the outstanding tackles in the Buckeye League but Charlie also had his bad nights. His best game was with Lima. Charlie is also a senior.

SCHNARRE—Sonny was the most dependable player on the team. He was hurt early in the season but was able to play, after missing a couple of games, in the remainder of the season.

NAGEL—LeRoy was a tall pass-snagging end who caught passes like a ballet dancer, but he was a little weak on defense.

CROUSE—Dick was another one of our smaller lineman, but he tried as hard as any other player. He is a senior this year.

ASHBAUGH—"Pud" played tackle this year. He is a junior.

STEINECKER—Ott was one of the biggest linemen we had this year. He is a junior center and will be back next year.

SMITH—A senior left half who played good fast football until he was hurt in the middle of the season. This is his second year on the varsity.

BRODBECK—Clem played right half and full back. He was a dependable player and gave his all for Memorial. He is a senior.

WIDNER—Ab played right half this year having been moved there from right end. This is his third year on the varsity.

MARTIN—Jack played fullback this year. Jack is a junior.

DERRINGER—Bill was a brainy quarterback. He also excelled in blocking and tackling. He will be back on the team next year.

Front Row—Robert Maze, Albert Widner, Vernon Schnarre (Captain), Dave Smith, Warren Armstrong, Jack Axe, Rex Hardin, Maurice Hinkle, Fred Strohl, Lynn Fisher.

Back Row—Coach Stoner, Manager Chiles, Bud Youngs, Doyt Thomas, Jim Lynch, Gene Dennis, Manager Schmidt, Geary Bubp, Don Lynch, Walter Allen, John Kinkley, Fred Noble, Manager Murray, Coach Bower.

Basketball

St. Marys' basketball team this year was expected to go places, but bogged down early in the season and didn't come out of the doldrums until the near end. The Rough Riders ended in second place in the Western Buckeye League, and for the first time in a good many years entered the second round of the sectional tournament by defeating Upper Sandusky. However, with the height and ability that is coming up from the underclassmen, St. Marys should be up among the best of them in the next two or three years, provided that the boys are willing to train, and most important of all, keep heir heads down to normal hat size.

Our Flag

From the first flag of Betsy Ross up to our present-day flag, our national banner has seemed to stand for many important qualities. In the first place, the white stars illustrate our union of forty-eight states. Secondly, the dark blue field almost glows with the meaning of loyalty to our land. Next come to my mind the bright red stripes which signify the blood of the men who so bravely fought for the liberty of their country. And last, but not least, are the white stripes. These stand for the purity of our countrymen.

When thinking of our flag, there flashes into my mind the things for which it has stood in the past and the things for which it will stand in the future.

Francis Scott Key, seeing his own flag still waving that fatal night, was so inspired that he wrote a song, a song which is now our national anthem. From this one illustration, it can be seen what this symbol of unity, purity, bloodshed, and loyalty could and should mean to each and every one of us.

As the days pass by, our country becomes more and more involved in national and world-wide problems. Hawever, no matter what happens as a result of these difficulties, we all hope that our flag can still stand for everything that is good and true.

"Achievement"

The school is really proud of its record of achievement this year.

In the senior scholarship contest we took five out of eight places, and among them the first place.

Earl Althoff took third place in the spelling contest held in Lima.

Stafford Noble won a scholarship to Kent University by writing a winning essay.

Lowell Hackler was honored as an Eagle Scout, the first in St. Marys.

Last year our scholarship team was awarded fourth place in the state.

This year we have an extraordinary scholarship team, and we are looking for them to keep up the record.

"Blankets of Character"

As water rushed along the gutters curb-high and five feet wide after a downpour in Minneapolis, a trolley stopped for three young things in high heels marooned on the sidewalk. At last two of them took the leap, going into the water over their ankles. The third edged this way and that and looked desperate.

Just then a closed car rolled up in front of her and the driver invitingly opened both his back doors. Daintily the young lady stepped into the car, out again onto the trolley, and Sir Walter Raleigh of the machine age closed his doors and rolled on.

Nothing is more dangerous than to make generalizations about the social and economic conditions of a country through which one has traveled more or less hastily. I often recall the story of an American who made a grand tour of Europe on a plan which allowed 48 hours at the most for each of the great capitals. When he returned to "God's country," a neighbor asked him if he had seen Venice.

"Yes," he replied; "but when we got there they were in the midst of a terrible flood. All the streets were under water and all the people were traveling around in boats, so we didn't stay." —Lawrence F. Abbott
